

How to use:

2 times a day or more often as needed. Spread a **thin** layer of **DuoLife Collagen Beauty Care Pure** over washed, damp skin. **Gently pat**. Do not rub in. Allow to absorb for approximately 5-10 minutes. Should there occur a subtle tight skin feel, wait about 20-30 minutes and use collagen butter from the DuoLife Collagen Beauty Care line. If the product "rolls up" under the butter - this is a sign that you need to reduce the dose for the next application.

Storage:

DuoLife Collagen Beauty Care Pure should be stored in a dark and dry place and should not be exposed to direct sunlight. It should be stored at a temperature of up to 32°C.

Precautions:

Do not use if you are allergic to any of the ingredients. The product is designed for use on the face, neck, cleavage, and around the zygomatic arch and cheekbones. **Do not apply directly under the eyes and to the eye sockets or eyelids.**
